

# Be a Champion for **Change**

## Civil Rights Advocacy Training Institute

### **2018 CRATI** • Taking place in each of our **7 regions**

Don't miss this opportunity to learn new methods for designing impactful civil rights campaigns and to connect with other activists.

As NAACP members, we are called to lead - to fight for policies that protect our rights and uplift our communities. Our work as **activists and advocates** is now more important than ever. It's time to gear up.

#### **Join us this spring for the Civil Rights Advocacy Training Institute (CRATI).**

The CRATI, being held in each of our seven regions, will bring together program experts and national thought-leaders to train officers and representatives of local units. The two-day program, open to all Youth Units and Adult Branches, will empower leaders with new skills and information to strengthen us in our fight for justice and equality.
